Dear Judge Berman:

The Government writes regarding our next scheduled conference, which is currently scheduled for December 2, 2019.

We understand that the study that had originally delayed the defendant is complete, and that he has been returned to the New York City area. Unfortunately, we are informed that the forensic psychiatrist who performed Mr. Moore's examination has a substantial backlog, and thus will not be able to complete and produce the report until late December. We therefore respectfully request that the conference be adjourned until the first week of January or the next date thereafter convenient to the Court.

Respectfully submitted,

GEOFFREY S. BERMAN  
United States Attorney for the  
Southern District of New York
